International Powder Academy

Exclusive areas

Private Lessons

Endless Powder

Operation period: 23rd December 2017 – 4th March 2018 (dates may change due to snow conditions)

Powder Academy is now in its 2nd season

Level: For Level 4 + 5 guests (intermediate to advanced skiers/snowboarders)

If you want to feel the flow and experience the rush of riding in deep powder, feel flexible with the ability to adjust yourself to every situation, then the Powder Academy could be for you.

Kiroro Snow World is famous for some of the best powder snow (Japow) in the world. Our Powder Academy introduces intermediate skiers/snowboarders to the world of powder skiing/riding and the relevant safety equipment involved. Our instructors have a lot of experience and knowledge in this field which will help you to effectively learn in these wonderful areas. Guests will leave our lessons feeling more confident to ski/ride powder with the knowledge and skills they have learnt. Come and enjoy the snow!

Lessons (¥50,000, 1-3 people, 3.5hours):

Level 1 – Introduction to powder and avalanche safety equipment

Level 2 – Introduction to advanced powder and avalanche safety equipment

For more information please contact the Kiroro Ski & Snowboard Academy.

Email: academy@kiroro.co.jp

✚ Lessons are also available to Japanese guests, please note courses may differ slightly.
