Cycle tour around the sunflower fields Hinode, Akaigawa

With sunflower fields dotted around our
secluded village and points where you can
look out over the heart of the caldera basin,
this area is simply beautiful. It is an ideal
location for a cycle tour as you visit the
various vegetable stalls along the roadside and
then relax at the end of the day unwinding at
the Caldera Onsen. Tip: the best time to see
the sunflowers is early to mid August.

SHIRIBESHI CYCLING

Cycle tours around Shiribeshi

Approved
by Sapporo Cycling
Association

Borrow a bike from Kiroro Resort and head out on a refreshing ride. Slowly take in sights you'd miss in the car and discover your own secret spots. Below, we suggest three long-distance touring courses for experienced riders – visit local lakes and farms, head over the hill to neighboring villages, or tackle a hardcore mountain pass.

Kiroro resort hires out both touring and mountain bikes.

Some areas do not have map codes available for the car GPS, so please enter the address instead.
