For Skiers/Snowboarders Using the Off-Piste Course

Only those who agree to the following terms and conditions can use the course.

- In the off-piste areas, we want people to truly enjoy skiing/snowboarding on the untouched winter slopes. Therefore, we do not groom, maintain or take any safety precautions against trees or obstacles. Please understand that there are risks, difficulties and obstacles above and beyond the normal ski slopes.
- You are to take full responsibility for your safety in this area. We do not assume any responsibility as a ski resort for any accidents or injuries that may occur in this area. Please consider your own skills before making the decision to use this advanced course.
- The course is open from 9:00AM until 2:30PM. However it can be closed at the discretion of our patrol depending on conditions or weather.
- Signboards are marked at all entrances so please follow the instructions on these signs.
- This course is for advanced skiers and snowboarders only. Unaccompanied small children must refrain from using the course.
- If you need to request rescue for yourself or others while on the off-piste or back country courses, our company will charge you or the others for the rescue. Additionally, if public services (fire department or police) request we undertake a rescue, we will charge you for those rescue fees as well.
- Prohibited areas are roped off in order to prevent accidents. Please follow the rules and do not go beyond the ropes per regulation and safety rules of the ski resort.
