SKI/Genre

Basic & Technique

You will learn a wide variety of skills, from basic and easy movements, to steady and speedy turns. Learn at your own pace without any stress.

SKI/Genre

Pole Experience

Easy to use, even for beginners, a specially designed course. Adjust your speed to gate positioning and develop fast movements. Learn how to control your speed and turns.

SB/Genre

Free Ride

Classes designed specially for riders who want to enjoy the slopes freely, regardless of style. Level up by experiencing various terrain, powder snow and other courses.

SB/Genre

Turn Master

Train on a course with long and short gates. Learn how to control your speed and line. Improve your turns in an effective fun way on various slopes.

SKI/Genre

Short & Medium

You will learn how to quickly change edges for deeper, sharper turns. Learn how to control your turns at high speed.

SKI/Genre

Carving & Powder

You will learn an effective turn technique that will help you ride on any snow surface. Powder and carving techniques have a lot in common. Learning both will level up your turns.

Annie/Every Thu & Sun (AM)

Annie medal Test

For Vermeil and above, special courses will be used for class upgrades. This is held twice every week. ※For Argent and below, class upgrades will happen everyday.

SB/Genre

Trick Challenge

You will learn not only trick basics, ollie, switch riding, press and many more, but also how to control your snowboard on our Academy-only slopes!(Training in special areas and on various courses)

20 (fri)

Annie Spring Equinox Day Show Recreation Opening day 3

A special recreation time for Spring equinox day. When talking about spring, first two things come to mind are Cherry blossoms and Hanasaka Jiisan. On this special day, our Animators and Hanasaka Jiisan will try to create a stunning cherry blossom in the Village. Will they be successful?

POWDER SKI & SNOWBOARD ACADEMY

Kiroro Snow World is famous for some of the best powder snow (Japow) in the world. Our Powder Academy will teach you about the safety equipment involved and how to ride in these wonderful areas. We have a lot of experience and knowledge in this field which will help you to learn effectively. The powder academy is for the skier who wants to feel comfortable in every situation and learn to ski deep powder. Come and enjoy the fun of shredding fresh pow!

20 (fri)

Annie Challenge 3

A race course will be set up! The champion with the fastest time from Or, Platine, Competition, Free and Expert classes will wear a special gold vest during the lesson. For Bronze, Argent, Vermeil and Fun, there is also a time race system set up on specific courses.
