

Enjoy 23 groomed courses, powder ride and 14 Off-Piste Areas!  
 The longest course is over 4km starting from the top of the 3.3km long Kiroro Gondola!

Mt. Yoichi-dake Peak  
 Elevation 1,438m

**Powder Ride**  
 A special area for those seeking the iconic, un-groomed natural powder thrill. Access from Asari Peak and Expert A is made easier via the new Center Link.

★ Please note that the Asari No.1 chairlift and Asari No.2 Express will not operate during 2020/21 season. There will be no change to the available courses. Thank you for your understanding.

**Snow Feature**  
 Enjoy the exciting snow features and banks around the slopes. These features are suitable for beginners through to advanced skiers and snowboarders.

**Kiroro Banks**  
 Have fun and show off your style!  
 Beginners will love carving through banked turns while advanced riders can find creative ways to do tricks.
